

Toys For Tots

At the October meeting of the Sacramento Red Barons, the club will be collecting toys for this years Toys for Tots program put on by the United States Marine Corps. Please, when you come to the meeting, bring a toy in its original wrapper. Any gift over \$10.00 will go the needy children of our nation.

This year is our Third year in the program. Let's make it the best so far.

Please dig into your wallets and get a gift for these children. Bring the unwrapped gift to the October meeting for collection.

Thanks for your support.

Doug Keller
Member of the Sacramento Red Barons.
